I register my child for the following course:

Name of course

Location of course

Day and time

Starting week/date

The cost of the chess course is 660.00 CHF per semester (6 months). If your child starts at a later time, the fee will be reduced. In case of cancellations up to one week before starting date the fee will be charged by 50%, cancellations after the course start will be charged by 100%. The enrollement automatically continues for the following semester if not cancelled per email or post 1 month prior to the last day of class. There are no classes during vacation taking place. Insurance is the participants own responsibility. We reserve the right to exclude children from the class that fail to comply with rules despite repeated warnings without refunds.

Occasionally we photograph our kids during chess training and tournaments. The photos are mainly used as illustrative examples of our brochures and homepage in order to report about our events and show the parents about the activities of their kids.
(Please send us an e-mail if you do not agree with this approach.)

I have read the information above and agree to the terms of the contract:
